ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Village of North Syracuse Housing Authority Annual Plan states Housing Authority goals, strategies and policies. Policies are supported by the Administrative Plan which is available to the public as the certifications and other required documentation.

According to the 2000 census (last figures available) for the Village of North Syracuse, there are at least 484 families who would qualify for the Section 8 program. At the present time, we are able to assist 252 families. Clearly there is a need to assist additional families.

The Housing Authority will advertise to promote the Section 8 program to applicants and landlords, making the effort to fill all of the 252 subsidies. We will apply for additional subsidies when and if they become available so that we may more fully meet the needs of families in our jurisdiction. We will target families whose incomes are at or below 30% of the Area Median Income (AMI), then assist as many families between 30% and 50% AMI as possible. We market our program to all races and ethnicities. We encourage all races/ethnicities to apply, and accept all such transfers into our program from other jurisdictions.

We have increased tenant representation to four people on our “Resident Advisory Board” from the one person who was previously on the board. We met with the expanded RAB. The tenants reviewed this plan and were satisfied with it, and their comments are incorporated into the plan.

As our program is small and only Section 8, our strategies are affected by funding and staffing constraints, and by limited availability of appropriate units for assisted housing. We set our payment standards as high as possible (110% of FMR) so that families will have a better chance of finding units, and to make units more affordable.

We have a preference for residents of our jurisdiction which as previously approved by HUD. We do not consider this an impediment to fair housing initiative because of the number of minorities who have applied for our program and because we consistently draw names from applicants who live outside our jurisdiction.

Although we do not intend to initiate a Section 8 Homeownership program this year, we will keep the option open for the future.
